

NEW METERING SOLUTION ROLLOUT COMPLETED

We are excited to announce that systemwide installation for the new metering solution was completed in early February 2017! The new solution features advanced capabilities such as gathering hourly interval data and two-way communication. In all, PEC personnel completed over 10,075 meter exchanges in the 16-month rollout period which began in November 2015. This is quite an accomplishment and more importantly one that will help us serve you, our valued member, into the future. Thank you for your cooperation throughout this effort—it is truly appreciated! If you have any questions, please feel free to contact Greg Bortz at 715-339-2155.

Jon Ocker, meter and load management specialist, installs the final meter exchanged as part of PEC's new metering solution.

NOTICE OF 2017 DISTRICT MEETING

Districts 7, 8, 9
St. Anthony's Padua Center
276 South 5th Ave, Park Falls, WI
Monday, March 13, 2017 • 6 p.m.

Members of Districts of 7, 8, and 9 are advised that a district meeting will be held on March 13, 2017, for the purpose of nominating director candidates from each of these districts. Directors are nominated by district and elected by the entire membership at the annual meeting for three-year terms. The following townships make up Districts 7, 8, and 9:

District 7	District 8	District 9
Eisenstein, Fifield	Sherman, Lac du Flambeau, Minocqua	Morse, Gordon, Jacobs, Peeksville, Agenda, Mercer

In accordance with PEC bylaws, each district should make its best efforts to nominate two members as candidates for the board of directors at the district meeting. Nominations can be made after the district meeting by filing signatures of 15 or more members. This filing must be received by the corporate office not less than 25 days prior to the annual meeting. The 77th Annual Meeting of Members will be on June 8, 2017. All members are encouraged to attend.

If for any reason no nominations are made at the district meeting, or in the event that the time of the annual meeting of members all persons nominated at the district meeting are unable or unwilling to serve as a director, then nominations may be made from the floor by any member who is a resident of the district for which the nominations are made.

A posting of all candidates shall be made at the corporate office at least 25 days prior to the annual meeting. Candidate information will also be posted in the *WEC News*.

Should you have any questions beforehand, please contact the PEC office or your incumbent director:

- District 7 – Mike Atkinson (715) 661-3096
 - District 8 – Gerald Luke (715) 583-9941
 - District 9 – Francis Gwinn (715) 769-3337
- Price Electric Cooperative (715) 339-2155 or (800) 884-0881

Price Electric Cooperative
 Francis Gwinn, Secretary

MY CO-OP

State Representative Beth Meyers visited Price Electric Cooperative for the board meeting on January 24, 2017. Meyers and the board discussed legislative issues pertaining to the electric industry in general and to Price Electric specifically. Back row, L–R: Manager of Finance and Administration Loren Erickson; Board Chairman Ed Hainy; Board Secretary/Treasurer Francis Gwinn; President/CEO William Caynor, Sr.; Kirk Klassen; Manager of Operations Ben Orysen. Front row, L–R: Manager of Member Services Greg Bortz; Representative Meyers; Karen Newbury; Mike Atkinson; and Gerald Luke.

CAN YOU HELP US FIND THESE FORMER MEMBERS?

The following former members of Price Electric Cooperative have capital credit funds available. If you know the whereabouts of any of these former members, please have them contact us at (715) 339-2155 or (800) 884-0881. To claim these funds, it will be necessary to provide satisfactory evidence of their right to these funds. If we are unable to locate these people, the unclaimed funds will be forfeited and used to provide scholarships and donations to local charitable causes through Price Electric's association with the Federated Youth Foundation. For a list of all members who have unclaimed capital credits available please visit the Price Electric website at www.price-electric.com.

(The first half of this list appeared in the February 2017 WECN.)

Price Electric Puzzler

How closely are you reading your issue of *WEC News*? Each month, we will present a question whose answer can be found in the issue. Return the answer, and you could receive a \$25 bill credit!

Please drop off or mail your answer to Price Electric or email your answer to info@price-electric.com. A winner will be drawn from all correct entries on March 31.

The winner of the December PEC Puzzler was Jack Richter. Congratulations!

Which board districts are electing directors this year?

FLAMBEAU SOLAR PROJECT UPDATE

As of this writing, the 2.5 MW utility-scale solar array construction project on Short Cut Road is moving along as anticipated. The fence has been installed and the access driveways constructed. All of the tracker racking posts and the medium voltage underground conduit to the substation fence have been installed. The low-voltage underground conduit is presently being positioned within the fenced-in area.

With the good winter conditions, energizing the array for power tests should occur towards the end of April with hopes of meeting all necessary requirements by the middle of May. A ribbon cutting would be scheduled thereafter in June or July.

We would also like to take a moment to communicate the relationship associated with ownership of this project. The map below will assist with illustrating this ownership. The black rectangular box at the bottom of the map is the 20-acre solar array being constructed by GroSolar, a solar developer based in Vermont. GroSolar will manage the project for the first two years after coming on line before the owner, CMS Enterprises, takes the helm. CMS Enterprises is the owner and a subsidiary of CMS Energy Corporation of Michigan. The black line connected to the substation (small red rectangle) is the medium voltage cable connecting the substation to the array. The substation in red belongs to Dairyland Power Cooperative (DPC). The substation is connected to the red line heading east, which is DPC's 115KV transmission line that interconnects with the grid and its substation to supply energy to our members in the Crane Chase region. The last color is blue. This is the distribution (12.47KV) line connected to our Price Electric Cooperative members.

We hope this helps to clarify some of the questions that might arise related to this new project within your service territory and backyard.
