

# ANNUAL MEETING PLANNING UNDERWAY

Price Electric  
Cooperative

Your Touchstone Energy® Partner

With Valentine's Day just around the corner and Major League Baseball teams preparing for spring training, it must mean the days of cold and snow are numbered and before you know it we'll be enjoying the sights and sounds of spring in Northern Wisconsin. Each spring your cooperative also begins its director election process in preparation for the Annual Meeting of Members to be held in June.

Please note that there are changes to the election process for 2018. These changes were posted in the 2017 June issue of the *Wisconsin Energy Cooperative News* and voted on and approved by the membership at the Annual Meeting of Members held June 8, 2017. Director nominations for seats up for election will no longer be made at a district meeting,

but rather must be made by written petition signed by at least 15 members from the nominee's district. The petitions must then be filed at the cooperative no later than 60 days prior to the annual meeting. Districts 4, 5, and 6 are up for election to serve three-year terms, and District 2 is up for election to serve a one-year term to fulfill the three-year term left vacant by the passing of former Director Kirk Klassen.

Please look for more information on the annual meeting and director election process in future issues of this publication. You can also contact Member Services Manager Theresa Raleigh at (715) 339-2155 or (800) 884-0881 with any questions. Thank you for allowing us to serve you, and bring on spring!

MY CO-OP

(left to right): Chris Burnis, Ben Orysen (manager of operations), and Andrew Reuterskiold.

## PROMOTIONS

Two of Price Electric Cooperative's apprentice linemen were recently promoted to journeymen linemen. Chris Burnis and Andrew Reuterskiold are the newest linemen on the PEC crew. Both men have been employed with Price Electric for a number of years, and are valued members of our team. Our congratulations go out to Chris and Andrew on this milestone accomplishment in their careers!

Price Electric Cooperative's customer services supervisor, Theresa Raleigh, was promoted January 1 to manager of member services. Former manager of member services, Greg Bortz, accepted PEC's manager of special projects and information technology position, also effective January 1, 2018.

## CAN YOU HELP US FIND THESE FORMER MEMBERS?

The following former members of Price Electric Cooperative have capital credit funds available. If you know the whereabouts of any of these former members, please have them contact us at (715) 339-2155 or (800) 884-0881. To claim these funds, it will be necessary to provide satisfactory evidence of their right to these funds. If we are unable to locate these former members, their unclaimed funds will be forfeited and used to provide scholarships and donations to local charitable causes through Price Electric's association with the Federated Youth Foundation. For a list of all members who have unclaimed capital credits available please visit the Price Electric website at [www.price-electric.com](http://www.price-electric.com).

# Price Electric Puzzler

How closely are you reading your issue of *WEC News*? Each month, we will present a question whose answer can be found in the issue. Return the answer, and you could receive a \$25 bill credit!

Please drop off or mail your answer to Price Electric or email your answer to [info@price-electric.com](mailto:info@price-electric.com). A winner will be drawn from all correct entries on February 28.

The winner of the December PEC Puzzler was Dorothy Koenig. Congratulations!

## 2017 REBATE RECAP

Price Electric members received **\$15,295** from the 2017 PEC energy efficiency rebate program. This represents **1,781** items submitted for rebates. Members improved energy efficiency in their homes by installing Energy Star appliances, energy-efficient lighting solutions, water heaters, HVAC and more.

Price Electric members also received energy efficiency incentives worth **\$27,853** from Focus on Energy. Residential members were eligible to receive Simple Energy Efficiency packs for their homes, as well as in-store discounts on lighting and appliances. Farm and business incentives were also available. Visit [www.focusonenergy.com](http://www.focusonenergy.com) for more information on Focus on Energy's incentive program.

Don't forget that Focus on Energy offers appliance recycling for PEC members. Contact Focus on Energy to recycle your old (working) refrigerator or freezer—they will pick up the old unit, plus you will be eligible to receive a \$35 rebate from Focus on Energy and the \$25 PEC appliance recycling rebate!

2018 PEC Rebate Forms are now available at [www.price-electric.com](http://www.price-electric.com) or at the PEC office in Phillips. Please note that rebates must be submitted within three months of purchase or installation.
